PROFESSIONAL SUMMARY

15 years in retail (P&L management, €17M revenue), then 5+ years in growth marketing and CRM in B2B SaaS. I structure the customer journey end to end in HubSpot, from lead to customer, with simple, measurable and maintainable automations. Open to hybrid, Paris, and Spain-based roles. Latest assignment: rebuilt and merged the Consentio website (Webflow, 3 languages) with AI, in 3 weeks.

WORK EXPERIENCE

Growth Marketer (Fixed-term) — Consentio

Sept – Oct 2026

B2B AgriFoodTech · Barcelona / Paris

Merged the Consentio + Klarys websites into a single Webflow site in 3 languages (EN, FR, ES), live in 3 weeks.

- Native components (header, footer, sections): site editable by the team with no code
- Customer Stories CMS (43 fields, filters) · 3 demo pages with HubSpot forms
- Structured data, llms.txt and metadata on 30 pages: SEO, AEO and generative AI search visibility
- AI-assisted build (Claude + Webflow MCP), block-by-block quality control, documentation handed over

Growth & AI Automation Projects (Independent)

Since Jan 2026

- End-to-end application pipeline (n8n + Gemini + Google Docs + PDF export): 120 applications processed
- Real-time tracking dashboard (Apps Script): 585 applications tracked
- 19-project Growth & AI roadmap 2025–2026, documented in portfolio + Notion

Growth Marketer — Flatsy

Oct 2022 – Dec 2025

B2B Proptech Scale-up · Paris · Marketing budget: €20–50k/year
